

VILLA BUTTERFLY

ES CUBELLS

Newly built in a minimalist style, with top quality materials, distributed on one floor and facing south, in a very quiet area with excellent views.

The villa consists of a large open living / dining / kitchen space with large windows overlooking the sea, five double bedrooms with en-suite bathrooms, several terraces.

It also has central heating throughout the house, A/C system, fireplace, swimming pool, with excellent views of Formentera, located to the south.
