Introduction Apartment 12

- 16 Exclusive sea-view apartments
- 500 Metres from the beach

The Apartment Collection at Torres Heights is comprised of eight luxury ground floor apartments and eight extraordinary penthouse residences, each with a unique south-east facing layout and impressive sea views.

Located in Talamanca on the sun-drenched south east coast of Ibiza, Torres Heights fuses the Mediterranean concept of slow living with cosmopolitan urban vibes. The best of both worlds is on your doorstep.

• EIVISSA THE TORRES HEIGHTS COLLECTION

A Mediterranean paradise off the coast of southern Spain, the iconic island of Ibiza welcomes one and all. Revered for its natural beauty, endless creativity and hedonistic spirit, this unique destination offers something for everyone. The allure of Ibiza calls to a community of international free thinkers, seeking an alternative, relaxed lifestyle without forgoing the luxuries of modern living.

More than 80 idyllic beaches boasting crystal clear water and untouched surroundings complement lbiza's blue skies, pure air and stunning countryside. The UNESCO World Heritage Listed old town, Dalt Vila, captivates with its cobbled streets, ancient buildings and lively gastronomy scene. Much of the landscape and architecture remain true to the island's history, with modern design subtly bringing it into the future.

The picturesque bay of Talamanca is 900 metres long with sparkling shallow waters from end to end, adjacent to the glittering Marina and only a 15-minute walk to the buzz of lbiza town.

With the recent addition of luxury resorts, high-end restaurants and chic boutiques that provide the perfect contrast to the existing authentic Ibicenco eateries and bars along the rustic wooden boardwalk, the area is now one of Ibiza's most sought after addresses.

The gardens at Torres Heights have been landscaped to reflect an alfresco lifestyle, enhancing the architecture and the surrounding nature of Ibiza. Tropical palms and wild sea grasses sway in the Mediterranean breeze, water-wise succulents respect the environment and soft grass provides grounding on a daily basis. Life flows seamlessly from the inside out, creating a sanctuary in which to connect with nature.
